## Our Mission Statement

The Shake A Paw Center for Rescue & Adoption provides animal rescue, shelter and adoption services for homeless, abandoned and unwanted dogs and puppies.

Our Adoption Center strives to place all of our homeless dogs in a forever home.

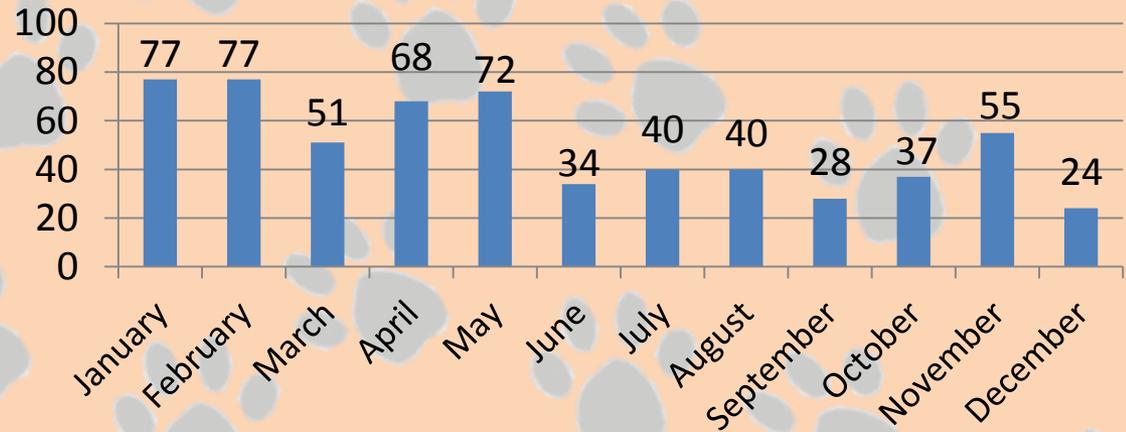

We provide low cost vaccine clinics, this allow all pet owners the ability to keep their pets vaccinated and heathy. We encourage responsible pet ownership while reducing pet overpopulation by educating potential adopters about the many benefits of spaying and neutering their new best friend.
