## Our Story

**The Shake A Paw Center for Rescue and Adoption was opened in 2012.**

**We are a 501©3 non-profit animal shelter.**

**We offer low cost vaccine clinics, spay and neuter services  
and daily adoptions of homeless, unwanted, and special need dogs.**

**Located inside our current Shake A Paw stores, we offer a selection of adult dogs,  
and sometimes even puppies for adoption.**

**We also accepted unwanted dogs from current New Jersey residents.**

## Our Mission Statement

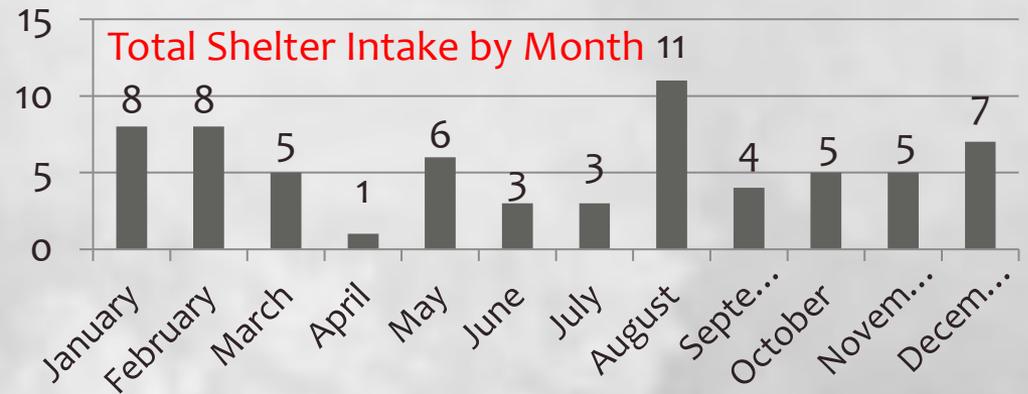

**The Shake A Paw Center for Rescue & Adoption provides animal rescue, shelter and adoption  
services for homeless, abandoned and unwanted dogs and puppies.**

**Our Adoption Center strives to place all of our homeless dogs in a forever home.**

**We provide low cost vaccine clinics, this allow all pet owners the ability to keep their pets  
vaccinated and heathy. We encourage responsible pet ownership while reducing pet overpopulation  
by educating potential adopters about the many benefits of spaying and neutering their new best  
friend.**

# How We Did in 2020

We have saved, rehabilitated and rehomed every single animal brought into our facility in 2020.

# SPCRA 2020 Adoption Totals by Month

Due to the COVID-19 pandemic in 2020, adoption had slowed down. However, we were still able to rehome the dogs given in our care.

In 2020, 79 dogs were able to find their forever home and families. It was a pleasure to care and re-home every single dog that came to us.

# Special Moments of 2020

## Kitten Rescue in Progress!!

A guy pulls into our lot, comes inside to tell us that a cat has been stuck in his engine for 3 days!! A shout out to Union Township Fire Department for a job well done!! You know these guys weren't leaving till they freed the cat!!

Clarice, 8-year-old puggle. She was surrendered to us because her original owner passed away from COVID-19. Her new owner recently losing her Boston Terrier. It was the perfect match for both of them and we couldn't be happier. ❤️🐾

# Special Moments of 2020

NJ Senator Cryan, some members of the Union Township Chamber, and a Union Township official gathered to join Shake A Paw and Shake A Paw Center for Rescue and Adoption in presenting Mya-Nicole Brooks with support towards her upcoming studies in Veterinary Medicine at Rutgers University.

Congratulations to Mya-Nicole Brooks from Union High School on receiving her Animal Care Scholarship from Shake A Paw to pursue her Veterinarian career!
