of New Jersey

Our Story

The Shake A Paw Center for Rescue and Adoption was opened in 2012.

We are a 501©3 non-profit animal shelter.

**We offer low cost vaccine clinics, spay and neuter services
and daily adoptions of homeless, unwanted, and special need dogs.**

**Located inside our current Shake A Paw stores, we offer a selection of adult dogs,
and sometimes even puppies for adoption.**

We also accepted unwanted dogs from current New Jersey residents.

Our Mission Statement

**The Shake A Paw Center for Rescue & Adoption provides animal rescue, shelter and adoption services
for homeless, abandoned and unwanted dogs and puppies.**

Our Adoption Center strives to place all of our homeless dogs in a forever home.

**We encourage responsible pet ownership while reducing pet overpopulation by educating potential
adopters about the many benefits of spaying and neutering their new best friend.**

2021 Shelter Intake

WE HAVE SAVED,
REHABILITATED AND
REHOMED EVERY SINGLE
ANIMAL BROUGHT INTO
OUR FACILITY IN 2021.

Shake A Paw Center for Rescue and Adoption

2021 Adoption Totals by Month

Due to the COVID-19 pandemic in 2021, adoption had slowed down. However, we were still able to rehome the dogs given in our care.

In 2021, a total of 141 dogs and puppies were able to find their forever home and families. All of our rescues and adoptions are loved and well-cared for by every single member of our caring staff.

Special Moments of 2021

Macie was a medium sized Heeler mix, who came to our adoption center on April 2nd 2019. Due to some temperament issues, it was difficult to find Macie her forever home.

At our center, we believe in second chances and we were ready to do all in our means to make sure Macie had hers. For this reason, we started a fund-raiser to help her get the professional training she needed. With the help of our staff, community, and donors, Macie not only received training but also found her forever home in August 2021.

Off to training

Macie found her forever home!
