

Our Mission Statement

The Shake A Paw Center for Rescue and Adoption provides animal rescue, shelter, and adoption services for homeless, abandoned, and unwanted dogs. Our adoption center thrives to provide a permanent home to all our adoptable dogs. We encourage responsible pet ownership while reducing pet over-population by spaying and neutering their new best friend.

About Us

The Shake A Paw Rescue and Adoption Center is a New Jersey Non-Profit Animal Shelter and Charitable Organization. Since founded in 2012, we have rescued and re-homed over 1500 dogs. Located inside of our current Shake A Paw stores; our Adoption Center strives to place all our homeless and surrendered dogs in a new permanent forever home. We care for about 5 to 10 adoptable dogs at any given time. Our rescues are loved and well-cared for by our experienced staff.

Forever A Home Policy

In the unfortunate event that you can no longer take care of your dog that was previously adopted from us, we will gladly accept the dog back into our adoption facility. We will provide full care, exercise, and a medical checkup for your dog until we find them a new forever home. Please note that some restrictions do apply.

Our Goal is that no dog will ever go unwanted and placed in a traditional animal shelter.
